

August 15, 2011

Dear Parents,

I am very excited to be the Director of Student Learning and Staff Development at Northshore Christian Academy. I treasure this opportunity to serve God and our NCA families.

It has been a true pleasure to have taught at Northshore since 2001. I have an additional ten years of experience as an educator in first through fifth grade. I am a graduate of Eastern Washington University, with a B.A. in elementary education and an endorsement in reading. I have also earned a Master's degree in Reading and Language Arts from Seattle Pacific University. I love learning and continue to learn every day!

My passion is for the students of NCA and helping them become life-long learners. My role in this process is to oversee student achievement and professional development by centering both on best practices of education and what is best for learners. Under God's guidance and wisdom, teachers, parents, and staff will work together to achieve high levels of learning for all students.

I look forward to watching our students grow and develop, both academically and in their personal relationships with Jesus Christ. May God watch over us and lead us in our learning journey.

Sincerely,

*Janet Christy*
