Dear Families,

Thank you for welcoming me to the Northshore family!

I am proud to be the latest member of the administrative team in my post of Vice Principal for The Middle School. We have a wide range of programs and services available for parents of pre- and young teens, from our rigorous instruction, to the fabulous Middle School Retreat, to a well-rounded athletic schedule, to the dazzling spring musical. Our spiritual and academic expectations are high, and all of our 6th -8th graders know they have many opportunities to reach towards all that God wants them to be. Our staff is qualified and eager to impart God's Word and God's ways. We are extremely fortunate to have each of our devoted teachers!

I began my career in education in 1980 and have taught for 18 years at the middle and high school levels. My emphasis has been A.P. U.S. History, U.S. Government, Economics, World History and Choral Music. I have also been active as an actor and director in community and Christian theater.

Coming to Northshore from the Four Corners region (where I served as a public high school principal and earlier as a pastor and Christian school administrator) I intend to draw on my 30 years of educational experience to join with you as you seek to raise your child as part of a godly generation. Stop by my office or see me in the halls or at a game, and say, "hi." I am thrilled to be part of the Gator Team and eager see our middle schoolers thrive in Christ!

In His Service,

Michael Thornton
