Hello!

My name is Terri Burkett and I have the privilege of being a Middle School Teacher and the Middle School Coordinator at Northshore Christian Academy.

I am a graduate of Northwest University, with a BA in elementary education and an endorsement in history. In addition to this, I have numerous post graduate credits from multiple accredited universities. My involvement at NCA began in 1998 as a teacher.

Though I have taught first, third, and fourth grade, my primary teaching experience has been with middle school students in grades sixth through eighth. Eventually, I moved into administration in 2002 as the Middle School Coordinator, while also teaching at the same time. In 2007 I joined the administration team fulltime and served as the interim Vice Principal of Middle School.

I truly enjoy working with middle school students. They are at a pivotal age, maturing, becoming independent, and discovering who they are in Christ. What a fun age group to work with! Not only that, I count it an honor to be part of such a Christ-centered school.

My heart is to come alongside the middle school faculty and NCA parents, preparing our children with skills, knowledge, confidence, and faith. There is no greater foundation than one built on the Lord Jesus Christ.

With Joy,

Ms. Burkett

Ms. Terri Burkett
Middle School Teacher & Coordinator
