September 2011

Dear Northshore Families,

I am so pleased to be a part of the Northshore family. What a privilege it is to serve in a school with such a strong reputation for standing for God's Truth while providing a robust educational experience designed to meet the needs of 21st century learners. In my new role as a Vice Principal here at Northshore, I will be overseeing the K-2 Program and School Operations.

My education includes a BS and a MA in Christian Education from Biola University. I received my administrative training at City University and most recently completed a MBA at Walden University. For over 25 years I have served families in Christian school and church ministries. Since moving to Washington from California 17 years ago, I had the opportunity to serve for 8 years as a classroom teacher before moving into school administration. As an administrator I have served in a variety of roles including: K-8 Principal, Junior High Principal, and Secondary Principal overseeing junior high and high school. Through all of these experiences I have gained an appreciation for the importance of the early years of learning and its impact on future learning experiences.

I look forward to meeting each of you, getting to know you, and partnering with you in the education of your children.

In His Service,

Dave Rehnberg
Vice Principal of K-2
